STOP SUPPORTING BABY KILLERS

ESTÉE LAUDER
Estée Lauder's chairman, Ronald Lauder, is also the president of the Jewish National Fund, a quasi-governmental agency whose main function is to legitimize Israeli occupation of Palestinian land.

next time you see

Johnson & Johnson

Remember this Baby

This baby was killed by an Israeli sharpshooter, notice how he has carefully centred his aim before releasing the trigger.

Companies like Johnson & Johnson keep the Israeli war machine going. On Israel’s 50th Anniversary, Johnson & Johnson was awarded Israel’s highest tribute - the Jubilee Award, in recognition for its continued service in strengthening the Israeli economy.
